**Windows 7: It's prettier, it's faster, it's more secure—and it's easier to use!**

Mark Becker, a partner at C/D/H, has been beta testing Windows 7 since December 2008. Join him at this event and find out why Windows 7 works the way you want, delivers first-class security and recovery, and helps you get more done. Mark will also discuss what you can do to prepare your organization for successful deployment of Windows 7.
